AI: Superpower or Shortcut?

AI AS A HELPER

- ✓ Learn
- ✓ Explore
- ✓ Practise
- ✓ Brainstorm
- ✓ Understand

Real-Life Scenario

AI Homework 🤖

Rahul has homework due tomorrow →
AI generates the entire assignment →
Rahul copies it directly → Teacher asks
him to explain it → Rahul cannot
answer.

💬 SMART USE OR SHORTCUT?

S — Stop & Think

Pause before using AI. Ask yourself: Do I really understand this?

M — Make AI Your Helper

Use AI to learn and explore — not to do your thinking for you.

A — Avoid Private Info

Never share your name, school, or personal details with AI tools.

R — Review the Answer

AI can be wrong. Always check and verify what it tells you.

GAMING — FUN OR PROBLEM?

Gaming is fun. But who is in control?

YOU 🎮 vs 🎮 THE GAME
Are YOU choosing when to play and stop?
Or is THE GAME deciding for you?

"Just 10 more minutes..."

You keep delaying — the game never seems to end.

Skipping Homework

Studies are pushed aside to play more.

Sleeping Late

Gaming late into the night, losing sleep.

Getting Angry to Stop

Feeling upset or irritated when asked to quit.

Are You Still In Control?

Check the signs of gaming addiction

Healthy Gamer

YOU DECIDE WHEN TO STOP.

🎮 PLAY → ⏸ PAUSE → 🏃
MOVE → 📖 STUDY → 😴 SLEEP

Balance your day. Take control of
your routine.

WHERE DID MY TIME GO?

Daily Schedue

➡ WHO CONTROLLED THE DAY?

- 7 AM — 📱 Phone
- 8 AM — 🏫 School
- 4 PM — 📺 YouTube
- 5 PM — 🎮 Gaming
- 7 PM — 💬 Social Media
- 9 PM — 📖 Homework
- 11 PM — 📱 Reels
- 12 AM — 😴 Sleep

Is Your Screen Controlling You?

Sound familiar?

"Just one more video..."

"Just 5 more minutes..."

"Let me check my phone..."

"Where did the time go?"

One Student. Five Digital Wrong Decisions.

Technology isn't the problem.
Our digital decisions matter.

 THINK

Before you trust any message, link, or information online.

 USE AI WISELY

Use AI as a helper — don't let it replace your thinking.

 PROTECT

Keep your personal information safe and private always.

 CONTROL

Manage your gaming and screen time — you decide.

The 5 Digital Rules

 Speak Up When Something Feels Wrong

WOULD YOU DO IT?

- ① Stranger sends friend request → ACCEPT / IGNORE
- ② AI gives homework answer → COPY / UNDERSTAND & VERIFY
- ③ "You Won ₹10,000" link → CLICK / DELETE & REPORT
- ④ Friend sends embarrassing photo → FORWARD / STOP & DELETE
- ⑤ 30-min gaming becomes 3 hrs → CONTINUE / STOP & RESET

WHAT WOULD YOU DO?

Think Before I Click

I will pause and verify before trusting any link, message, or request.

Use AI Responsibly

I will use AI as a helper to learn — not to replace my own thinking.

Protect My Information

I will keep my personal data, passwords, and photos safe and private.

Control My Screen Time

I will balance gaming, reels, and study — and speak up when something feels wrong.
